

Oregon Gut Club  
The Allison  
Newberg, Oregon  
October 15-16, 2021

Thank you for your support in the past of the Oregon Gut Club. Highlights from past meetings can be seen on our website at [www.oregongutclub.com](http://www.oregongutclub.com). We are requesting support via an exhibit fee for our Fall Gut Club meeting to be held October 15-16, 2021 at The Allison, Newberg, Oregon. Our guest speakers/faculty this Fall are all well-known academic speakers and as always we look forward to another amazing event knowing everyone will be very excited to be back together in person again.

Our OREGON GUT Club meetings are held annually and always involve nationally known speakers with attendance expected to bring 100-150 gastroenterologists from Oregon and SW Washington. 7-8 hours of CME credit are available to attendees. Exhibit space will be separate from the general session room to be compliant with CME requirements. We look forward to hearing from you regarding sponsorship for this meeting and, again, thank you for all your assistance and support of Oregon Gut Club.

#### **Requested Exhibit Space and Additional Sponsorship**
